Leased - \$430 per Week

House 3 1 4

Conveniently located large family home

Available for rent is this large 3 bedroom home with study, 2 living areas, 1 huge sunroom, second toilet and seperate laundry.
It has brand new carpet throughout, brand new rubber backed curtains, a new 7kw reverse cycle air conditioner unit installed and option for gas heating.
The home and garage has solar panels which go back to the grid to help resuce the cost of electricity bills.
Also included is a large 4 car garage and an open bay workshop at the back of the house.
This house won't last long so give me a call to arrange an inspection!! References required.
The fences are not secure so not suitable for dogs.

Open for Inspection
